

Rebate Now Available For Powerwall

For each Powerwall installed between June 15 to October 31, 2023 you can claim a rebate of \$500.

Powerwall is a home energy storage solution designed to store energy for use at any time, ensuring uninterrupted power supply—even during blackouts.

Key Benefits

- Cost savings through optimized energy usage
- 24/7 access to solar power, day and night
- Real-time monitoring of your home's energy usage
- Backup protection during power outages
- Reduced reliance on the grid and a lower carbon footprint
- Conveniently charge your electric vehicle using Powerwall
- Flexibility to expand your energy storage capacity by adding up to 10 Powerwalls
